

WOODEN FOOD TRAYS THAT GO IN THE OVEN!

WOOD&OVEN

From the Forest to your Table!

In need of an innovative, sustainable and compostable solution to carry fruits, vegetables and even preparing food?

Our wooden trays go in the fridge and in the oven. From -40 up to 240°C. You can also put them in the microwave or airfryer.

Starting by planting the tree to your table, we control the entire value chain.
